

# Brooklyn Public Library

Now it's time to make your own puppet/muppet!

Use the materials provided to make your version of a Sesame Street character.

Examine the puppets in the foyer cases (by the entrance) to see all of the details that make a great Sesame Street character.

Let us take a picture of you and your puppet before you go.

Thanks for visiting the Brooklyn Public Library's exhibit of Sesame Street: A Celebration of 40 Years of Life on the Street!
