

Welcome to the Sesame Street Art Gallery!

In our Grand Lobby we have on display Sesame Street book art from Sesame's Workshop Publishing Archive, featuring a range of works in a variety of styles from the 1970s to today.

Pick out a favorite artwork and describe it below, for some of the works we have the books out on the tables so you can see how the work was used in the books. Also, try and guess what lesson the artwork is trying to help teach.
